Stanton Rourke lives life on the edge. The steely South African mercenary is dangerous in every way—especially to Clarisse Carrington's heart.

She and Rourke were playmates as children, but she's not the innocent girl he once knew. When tragedy robbed Clarisse of her entire family, her life was changed forever. Besides, she's a grown woman now, and there are secrets that hold her back from succumbing to her pursuer.

As she struggles to keep her distance, sparks as hot as a Texas summer fly between them. But danger is following Clarisse, leaving her no choice but to rely on Rourke, even as the old wounds lying dormant between them flare up again.
